The veteran award is an adult recognition. However, tenure earned as a youth

may be included in the total number of years registered.

After five years of registered service in the Boy Scouts of America, an adult may,

upon application, receive the designation of "Veteran," provided the person agrees to

live up to the Scouting obligations; to keep local Scouting authorities in the community

in which residing informed as to availability for service; and further, to be as active in the

promotion of the cause of Scouting as circumstances and conditions permit. Service

in Scouting organizations other than the Boy Scouts of America does not count toward

veteran recognition. An individual must currently be a paid registered member of the

Boy Scouts of America in order to receive an award.

An adult designated veteran shall pay the regular registration fee if desiring to

continue to retain active connection with the movement.

55-, 60-, 65-, 70-, 75-, or 80-year veterans must have maintained an active registered

relationship for the required number of years, paying the annual registration fee.

The records of the national office and local council shall determine eligibility.

The periods of service claimed for veteran recognition need not be continuous.
